WHIG MEETING: WHIG MEFCING:
THE Whige of Newport are requested to meet.

at the Town Hall, this evening, at half past
Tolelock, for the purpose of recleving the Report of the Committee appointed the needed suitatile persona us candidates for Senator and Reprisentatives; and to make such arrangements as
are necessary to ensure a full vote at the coming
station. A general standages is requested. election. A general attendance is requested.

OF REMEMBER THAT YOUR REGIS. TRY TAX MUST BE PAID ON OR BE FORE FRIDAY NEXT, THE 21 OF AFRIL

IMPORTANT.

I By the 11th section of the Secret Sullot Law, all Registry Toxes must be paid to the Collector by SIX O'CLOCK NEXT FRIDAY AFTERNOON; that is, the law requires the Collecto to be at his office from 12 to 6 o'clock for the last six days before the fourth day proceeding the day of voting. We hope to be able fully to comprehend this footballaw, after a while.

CERTIFICATE VOTERS.

All Whige who intend to rote by cer tificate should see to the matter without delay; those who want certificates from other towns, will please give notice at this office, and the matter shall be uttended to. See to it at once, as there is no time to be lost.

Lift will be seen that the Whig Committee have presented a strong Assembly ticket to be supported at the coming election. The candidates are ail good and substantial Whigs, in all respeets unexceptionale men, who will discharge their duty in a faithful and conscientious manner. Of course, they will all be elected. All talk about the locofocos being elected to the Assembly from this town is sheer blarney; there is no man in this community who is green enough to suppose, for one mament, that there is the slightest possibility of each a thing. Our Assemblymer will all be elected, and old Newport will give a good report of herself when the polls are closed.

Let every Whig be sure and vote to the Assembly ticket as well as for the State Ticket,-and be careful that you place each ticket in its proper envelope; it will also save much time and trouble if you vote both tickets at the same time. Our friends must be active and vigilant from the time the polls open until they closes be on the floor and at the doors and see that our tickets are well circulated, and that none of our friends are decieved by spurious tickets. If any mis take is made, it cannot be corrected after the ticket is deposited in the box; if a rank Whig should accidentally get a spurious ticket into his envelope and deposit it, there is no remedy for him,therefore, the greatest caution must be exercised, and this cannot be done, un less our men are active and constant in their efforts; there should be a large number of them in different parts of the house during the whole day and evening. Our opponents are lynx-eyed, and they are as restless as the spirit of evil which pervades this fallen world.

We trust that there will be a full and general attendance of all the Whige of Newport, this evening, at the Town Hall, for the purpose of receiving the report of the Nominating Committee and acting upon the same. The right spir it is aroused in the party, and the Whigh in this vicinity are determined to give their opponents a genuine Waterloo defeat, on Wednesday next.

The Tremont Temple in Boston, we destroyed by a fire which broke out yes terday morning; and some lives lost.

Cotton at Liverpool was in fair demand, but according to some commercial circulars, prices had elightly declined. The sales of the week reached nearly 45,000 bales, of which the trade took 30.000.

The market for Breadstulls was extremely depressed and to effect cales in flour wheat, or corn, considerable can cessions would have to be incurred.

Provisions were in improved demand at rather better prices.

The political intelligence by this ar rival will be found interesting, but presents no feature of marked importance

Queen Victoria, on the opening of Parliament, was attired in a white eatin dress, richly embroidered with gold, and a train of ruby colored velvet, lined with ermine. Her hair was dressed in braide, and she wore a tiara of diamonds, with a necklace and stom-

The Philadelphia Bulletin, speaking of Lola Montez in Haston, says;

" Alas I poor Boston, Fallen, indeed art theu from the " grand days of old," when, not merely its rabble, but its con stituted authorities and the instructors of thy youth, became the lacqueys of a foreign courtezan. How Europe will exult! But let us close forever this scandalous page in the history of our country."

The Speaker stated that the business in order to be the motion to lay upon the table, the motion to reconsider the vote by which the bill for a better discipline in the navy, was rejected.

Pending the same, on motion of Mr. Cable, of Ohio, the House went into committee of the whole, and resumed conuderation of the homestead bill,
